

Quicken for Windows Conversion Instructions

Web Connect

Introduction

As *First National Bank Colorado, First National Bank Illinois, First National Bank Southwest, First National Bank Kearney, First National Bank Columbus, First National Bank North Platte, First National Bank South Dakota, First National Bank Fremont, and First National Bank Kansas* completes its system conversion to *First National Bank of Omaha*, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your User ID and Password.

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **Search**. Search for **Backing Up Your Data** and follow the instructions.
2. Download the latest Quicken Update. For instructions to download an update, choose **Help** menu > **Search**. Search for **Update Software** and follow the instructions.

Task 2: Disconnect Accounts at *First National Bank Colorado, First National Bank Illinois, First National Bank Southwest, First National Bank Kearney, First National Bank Columbus, First National Bank North Platte, First National Bank South Dakota, First National Bank Fremont, and First National Bank Kansas* on or after **September 18, 2018**

1. Choose **Tools** menu > **Account List**.
2. Click the **Edit** button of the account you want to deactivate.
3. In the **Account Details** dialog, click on the **Online Services** tab.
4. Click **Deactivate**. Follow the prompts to confirm the deactivation.
5. Click on the **General** tab.
6. Remove the financial institution name and account number. Click **OK** to close the window.
7. Repeat steps for each account to be disconnected.

Task 3: Reconnect Accounts to *First National Bank of Omaha* on or after **September 18, 2018**

1. Download your Quicken Web Connect file from www.fnbo.com

NOTE: Take note of the date you last had a successful connection in your Quicken account. If you have overlapping dates in the Web Connect download, you may end up with duplicate transactions.

2. Click **File** > **File Import** > **Web Connect File**. Locate and select the Web Connect file to import.
3. **Import Downloaded Transactions** window opens: Select **Link to an existing account** and choose the matching account in the drop-down menu. Associate the imported transactions to the correct account listed in Quicken.

IMPORTANT:

Do **NOT** select **Create a new account** unless you intend to add a new account to Quicken. If you are presented with accounts you do not want to track in this data file, select **Ignore – Don't Download into Quicken** or click the **Cancel** button.

4. Repeat steps for each account to be reconnected.
