### Manage your business with Clover

Track sales in real time and manage orders, inventory and employees.

#### Run Your Business More Efficiently

Track key financial indicators and manage your business from anywhere with Clover Dashboard on the web, your mobile device or a Clover POS device.

##### Sales Reports

Track sales, items sold, average order size, tender types and more. Compare stats to prior periods.

##### Orders

Manage customer orders, add items or payments to open orders and track orders to fulfillment.

##### Inventory

Group items into categories, apply modifiers and variants, and track and manage stock quantity.

##### Employees

Create roles and permissions, manage shifts and track sales by employee.

### Grow your business

Harness the power of customer engagement, financial solutions and market insights.

#### Take Advantage of a Full Suite of Tools and Resources

Strengthen your customer relationships, access capital when you need it and gain key insights into your local competition.

##### Customer Engagement

##### Feedback

Hear directly from your customers

##### Rewards
