BANK

I love traveling everywhere
in FNBO country,
all over the Midwest!

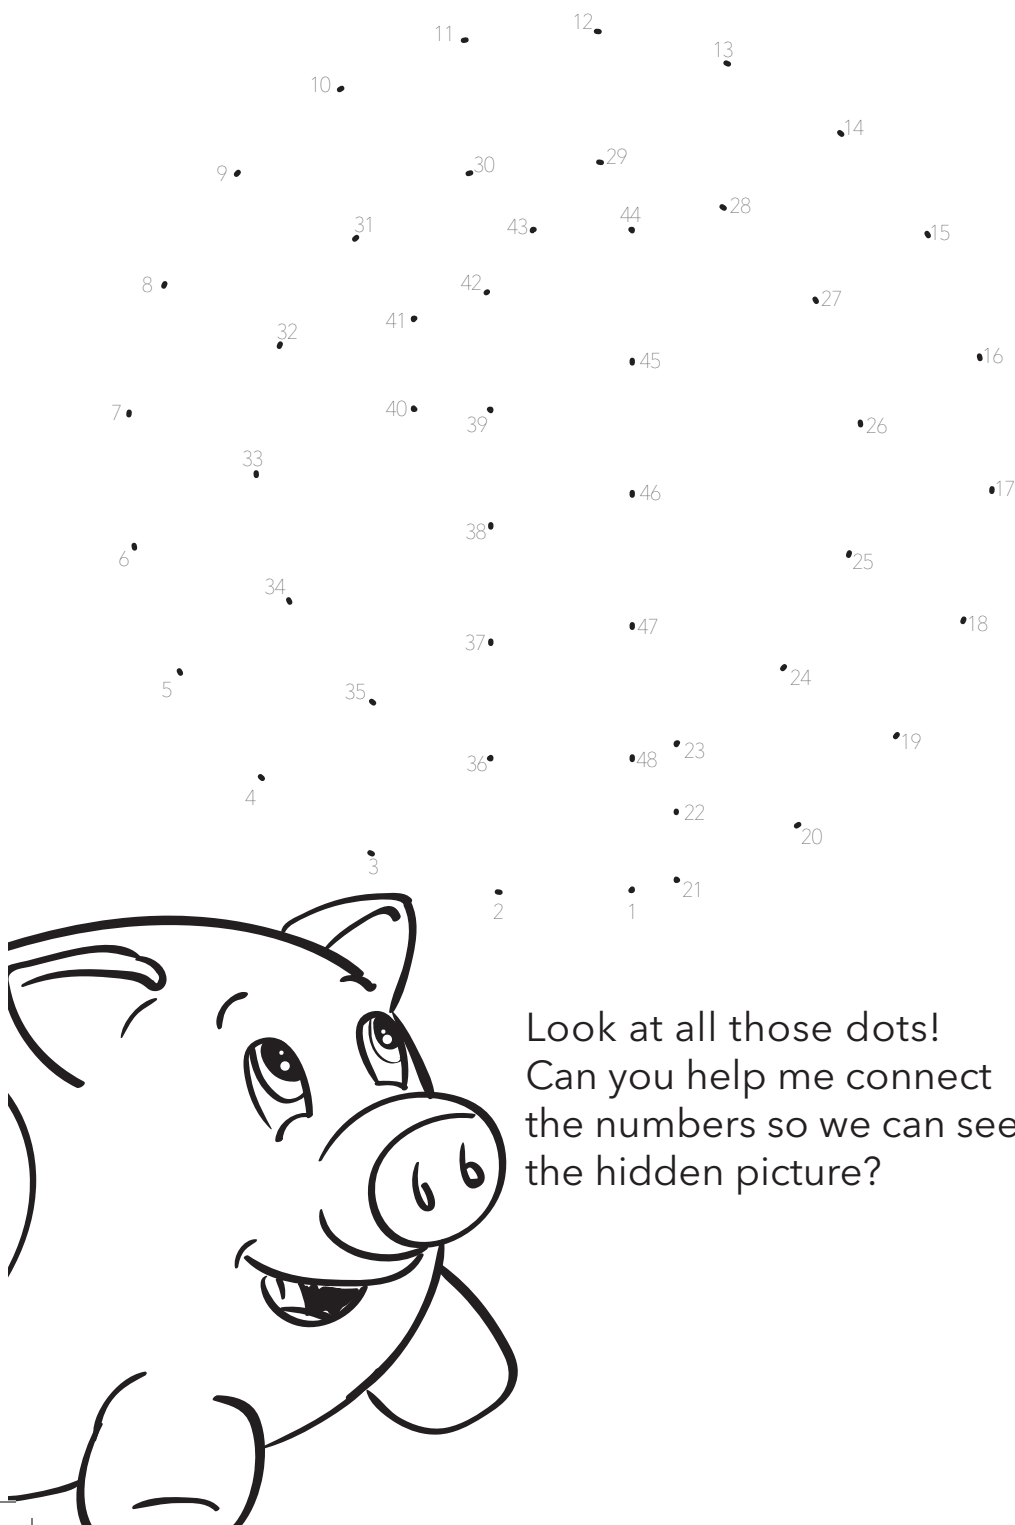

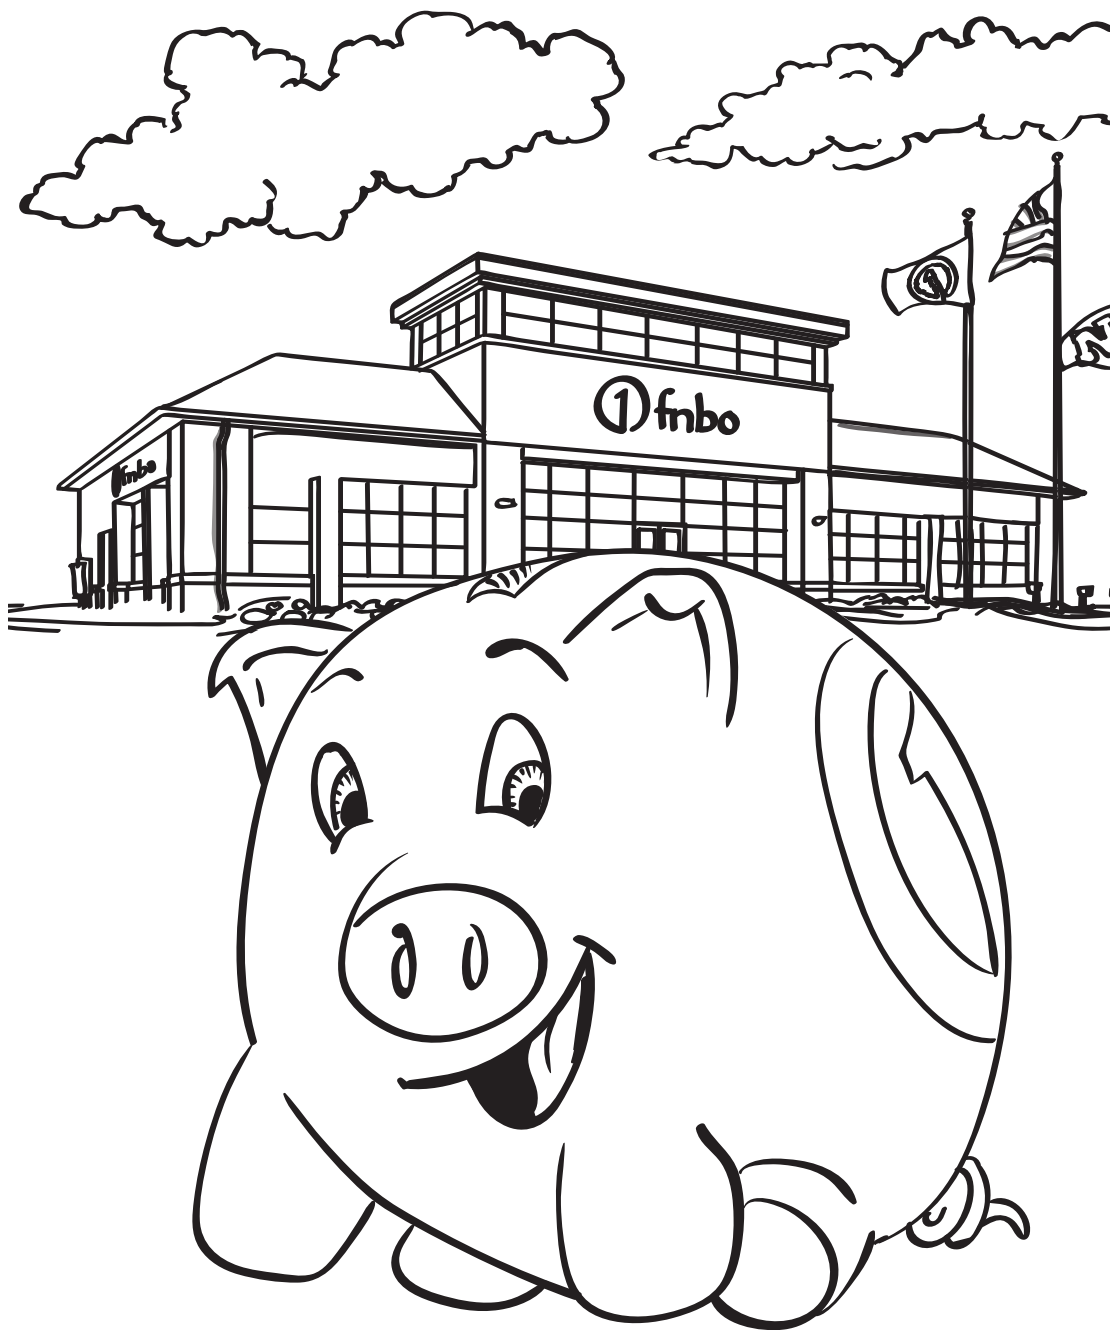

I'm on my way to the BANK
and want to know how
much money I have SAVED.
Can you help me count?

TOTAL

\$

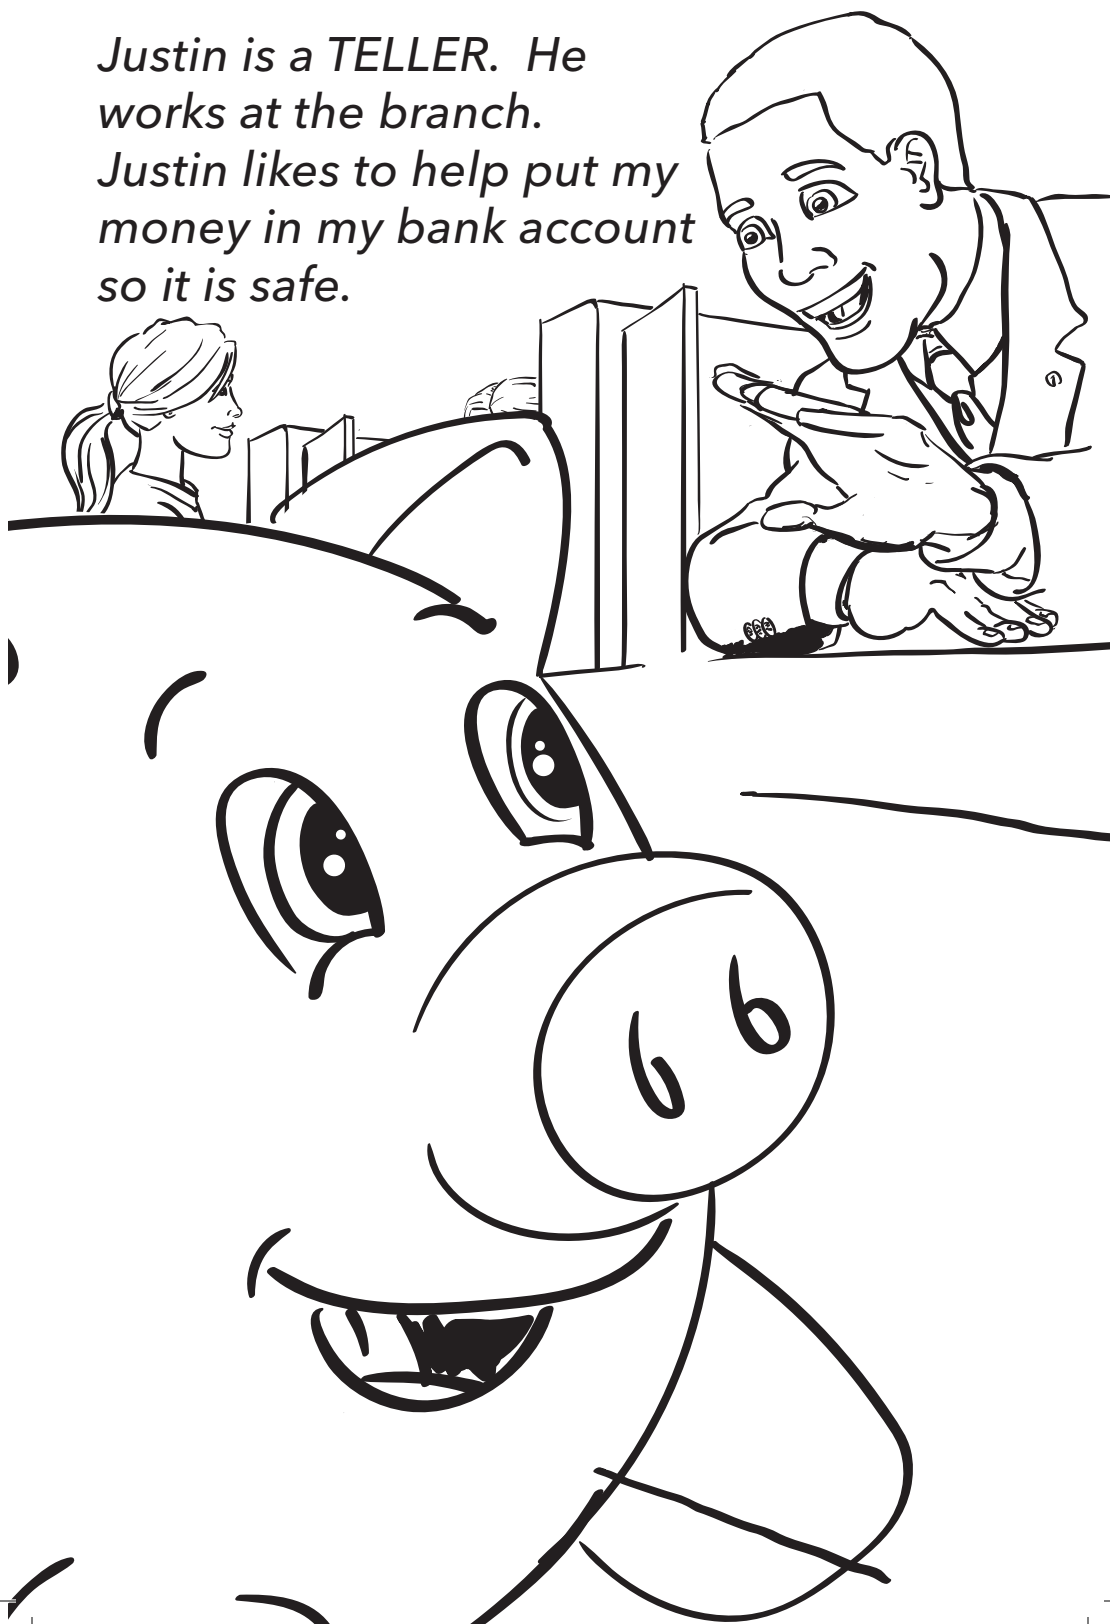

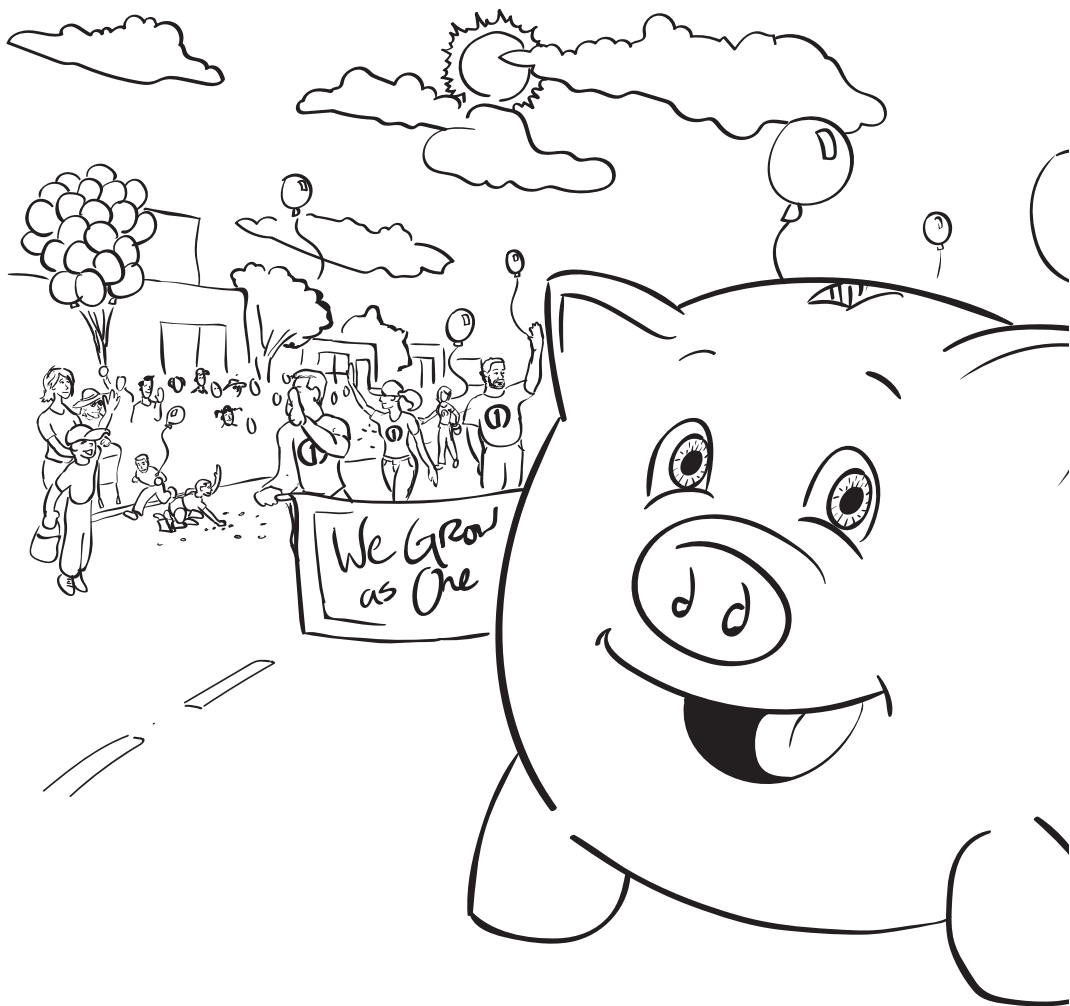

Look at all those dots!
Can you help me connect
the numbers so we can see
the hidden picture?

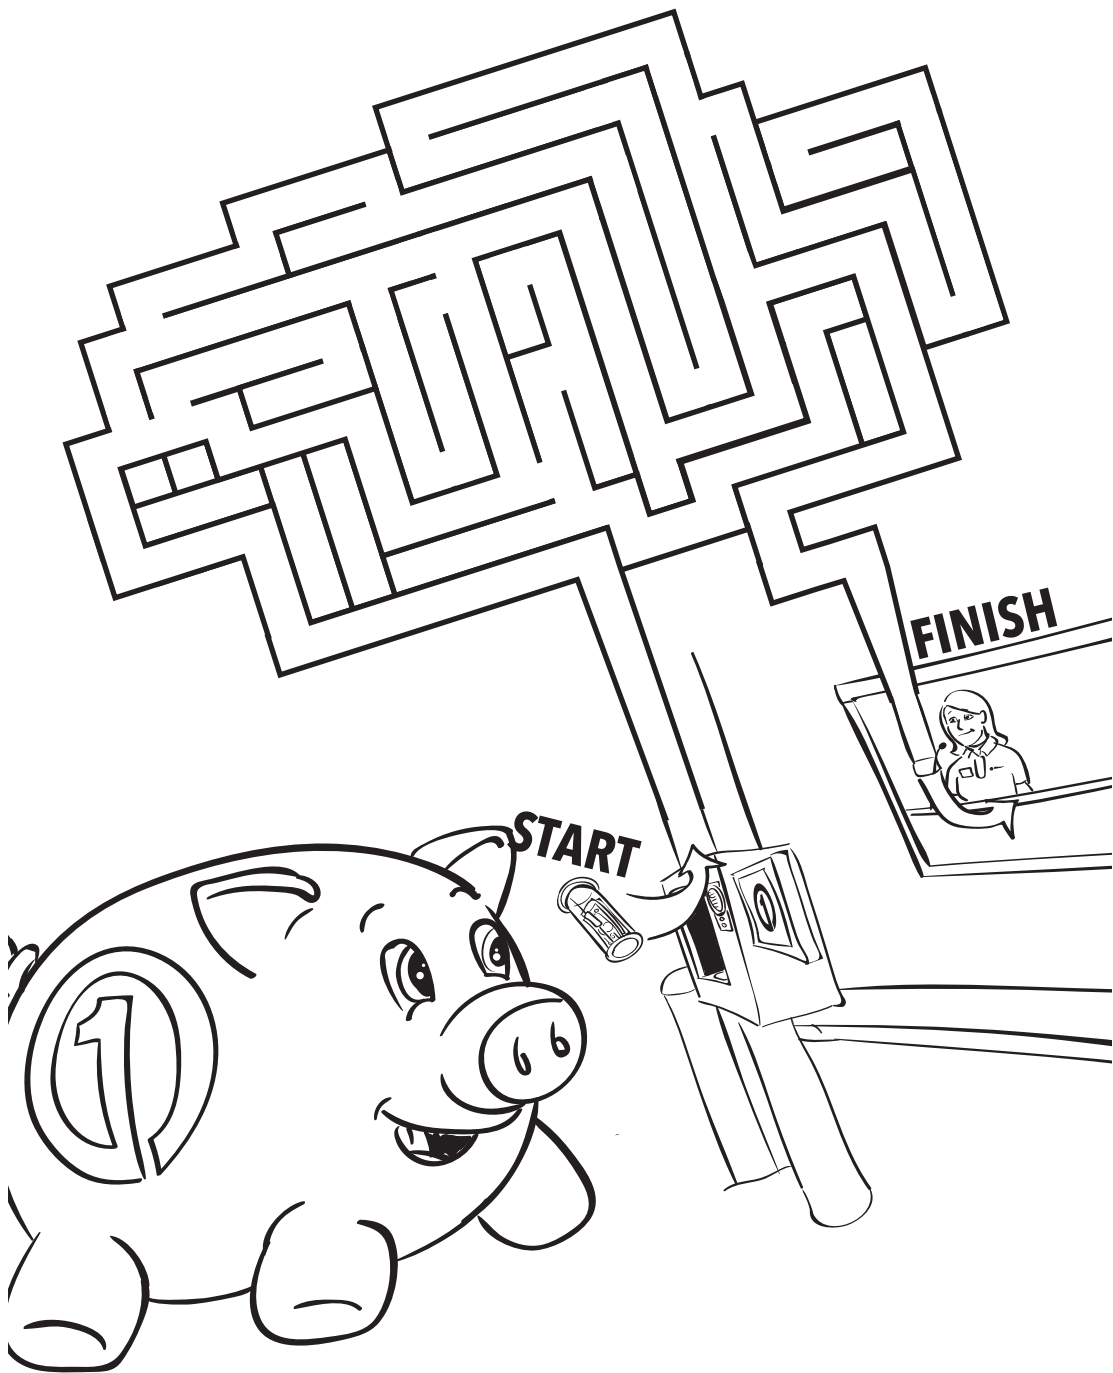

*At FNBO, our stores
are called BRANCHES.*

*Justin is a TELLER. He
works at the branch.
Justin likes to help put my
money in my bank account
so it is safe.*

*My FNBO friends and I like
to support our COMMUNITY.
Sometimes we even get to
march in parades!*

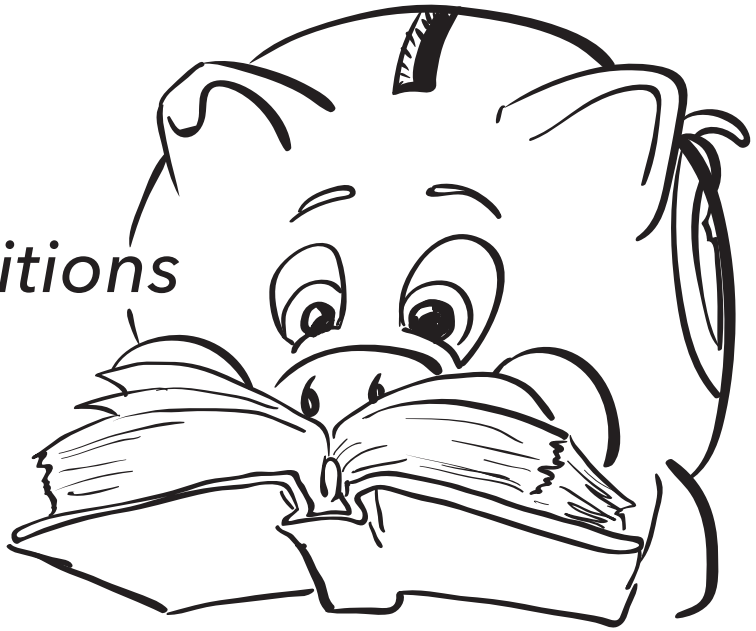

We can also go through the bank drive thru! Can you help me get the deposit tube to the teller inside?

Can you help me find the words
that are hiding in this puzzle?
